### **REASONS FOR ALLOWANCE**

Claims 1-2, 4-8 and 10 are allowed. The following is an examiner's statement of reasons for allowance: applicants' response obviates the issues raised in the Final Office Action. The corrected filing receipt, although not included with the instant response, appears in the provisional application, which the instant application claims benefit. The issues relating to the inconsistency of the priority / oath/declaration has been clarified and is resolved. Applicant's claim for domestic priority under 35 U.S.C. 119(e) is acknowledged.

Applicants have met the requirements for the use of the trademarks in the specification by their generic description as dispersants.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
